

Services

Panel Design & Assembly

Control panel design & Assembly

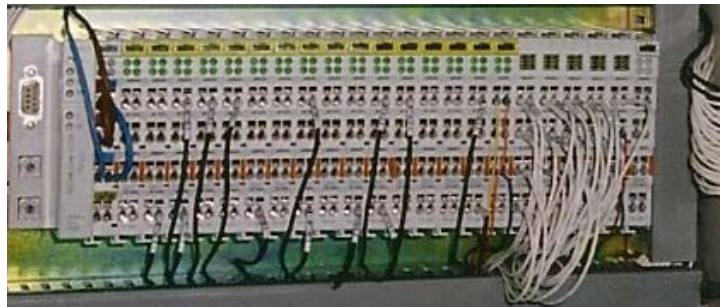

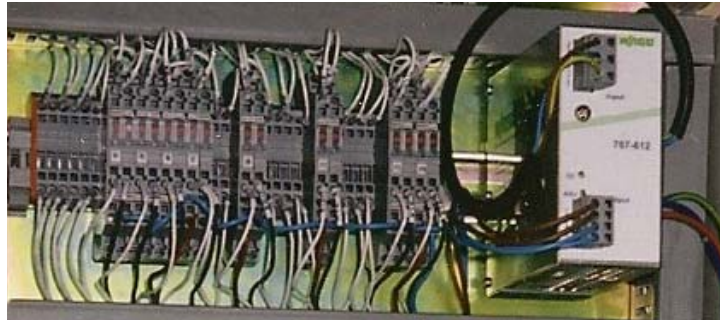

Function :

- Machine control

Components :

- Wago Power Supply
- Wago I/O
- Wago Terminal Blocks

Control panel design & Assembly

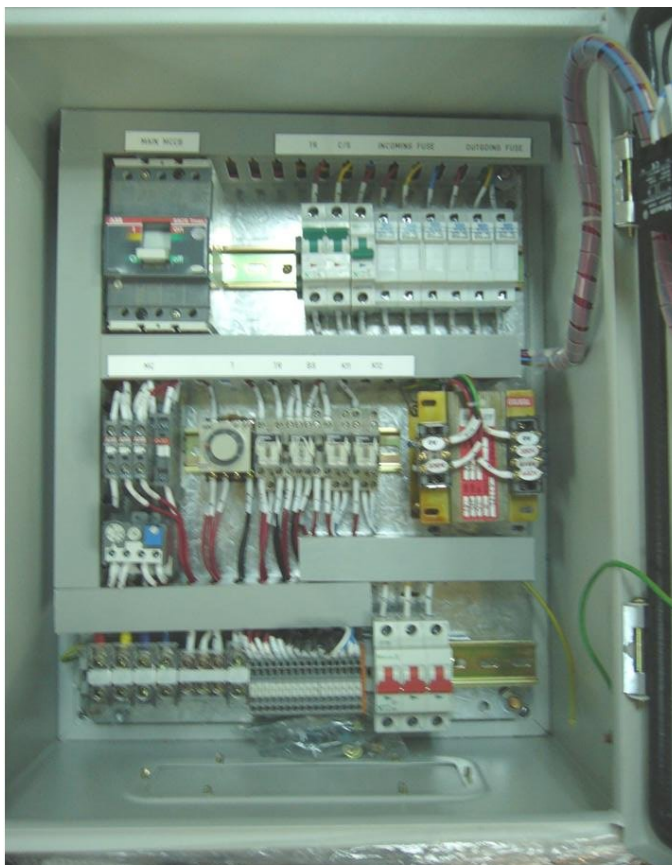

Function :

- Motor Starter Panel

Components :

- ABB MCCB/Contactors
- Wago Terminal Blocks
- Omron Timer

Control panel design & Assembly

SIEMENS

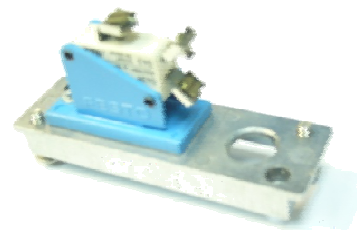

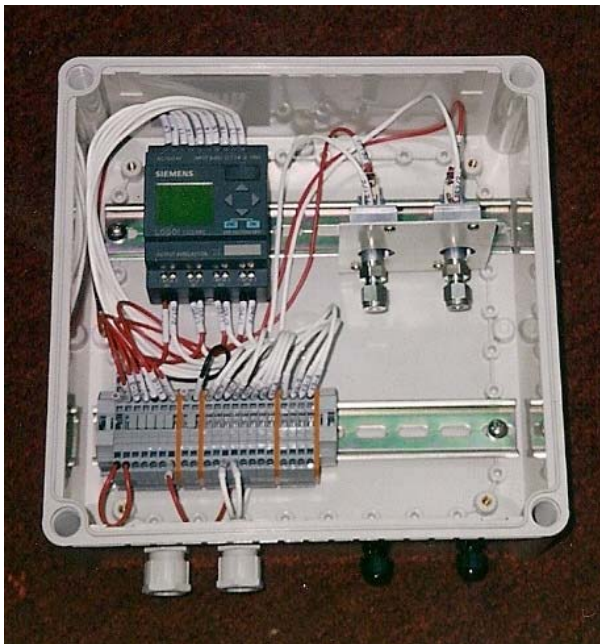

FIBOX
Enclosing Innovations

Function :

- Pressure Control

Components :

- Siemens Smart Relay
- Wago Terminal Blocks
- FIBOX Enclosure
- FESTO pressure switch

Power Distribution

Function :

- Power Distribution

Components :

- TopRank Medium Voltage Switch Gear

PCB Design & Assembly

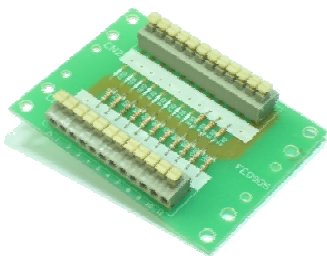

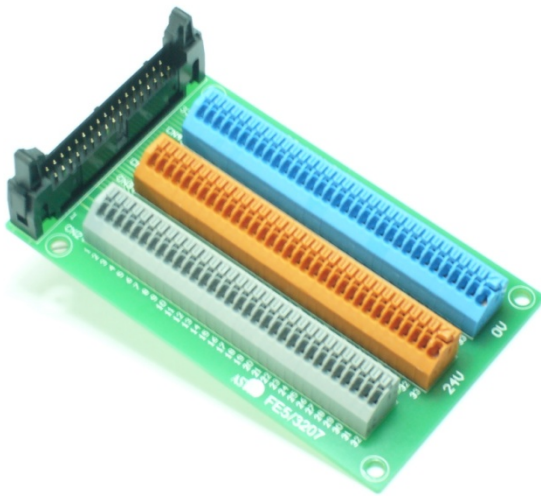

Function :

- Customised PCB design

Components :

- Wago Connectors
- Custom build PCB

Customized Box/Cables Assembly

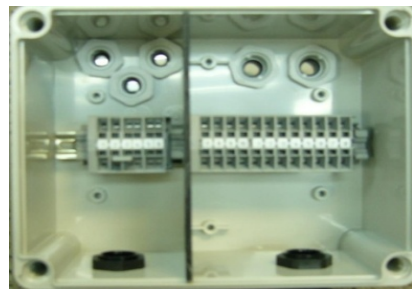

Function :

- Customized box assembly

Components :

- Wago Terminal Blocks
- FIBOX Enclosure

Distribution Box

Function :

- Flow/Pump Control

Components :

- Cables/Sockets
- Metal Enclosure
- Power Supply

Ready to Use

Function :

- Motor Starter Panel

Components :

- Relpol Relays
- Wago Terminal Blocks
- Metal Enclosures
- Switches
